Enclosed is the commercial telephone seller license TC5797 issued to your business. The department does not review the content of contracts or scripts when processing applications for licensure. It is recommended you seek legal counsel to ensure these documents are in compliance with Florida statutes. Please inform the Department of any changes in the original license application, on the Department's Material Change Form. The current version of the form is available online at <http://forms.fdacs.gov/10006.pdf>

When salespersons are hired, please remember the law requires that they be licensed or obtain interim operating authority prior to making calls on behalf of your business. You should be aware that s.501.616(4), F.S., provides it is unlawful for any commercial telephone seller or salesperson to be unlicensed and provides for civil penalties of up to \$10,000 per violation in s.501.619, F.S. In addition, s.501.623(3), F.S., states that no commercial telephone seller or salesperson shall solicit without a license. A person who violates this section commits a felony of the third degree.

If you have any questions concerning this matter, please contact us at 1-800-HELP-FLA or 850-410-3800 (if calling out of state).
